SOLID WASTE

Additional Services Available

Temporary 300 Gallon Cans – Customers may request a temporary 300 for two (2) weeks of use every three (3) months. The cost is **\$17.85 each time it is dumped** (which doesn't have to be your regular garbage day). The additional charges will be added to your utility bill. *NOTE: This can is just over 3x the size of a residential container (90 gallons).*

Help us, help you!

- Please be sure to always bag and tie your household waste.
- To help ensure your can is emptied have it out by 6 a.m. on your collection day, positioned with the lid opening out toward the street.
- Overloading your container will result in service interruption and/or additional fees.
- Please do not put hazardous materials in your container such as TV's, computers, car batteries, tires, ashes (even if you think they have cooled). This may result in delayed collection until such items are removed.
- Damaged containers due to negligence will be the responsibility of the customer to pay to have replaced.
